Sugar Rae Lenox is famous...in Mule Hollow. For wanting her name in lights on a Hollywood marquee. For wanting to leave. And for thinking the local matchmakers are mighty mistaken! Why applaud the attraction between her and a too--handsome cowboy with boots of lead? Ross Denton lives on the outskirts of town on some dusty ranch. And the only place he wants to see his name is on a marriage certificate. So why isn't she singing and dancing away from that ranch? She can't possibly want a starring role in Ross's life as his bride...can she?
