D has crossed over the southern border, into the domain of the cruelest and most evil of the royalty, General Gaskell. On the way, he picks up a "victim" — one of few survivors in the villages-and makes way with her and the Deliverers. Along the way, he is attacked by the Drowned, and fights many more unspeakably horrible enemies. All of this suggests that Gaskell — who was supposed to have been put to death under the light of the sun — is still very much alive. But why?
