White Leopard

Laurent Guillaume

White Leopard Laurent Guillaume

A man torn between two continents finds himself in a dangerous confrontation between tradition and corruption. Solo is a former cop who ran away from a dark past in France to start his life over again in Bamako, Mali, as a PI. An ordinary case turns out to be not so ordinary. The drug mule gets her throat slit. The French lawyer is too beautiful and too well-informed. The cocaine is too plentiful. This is classic hard-boiled noir with a modern twist set in Africa.

From reader reviews:

Ray Chung:

As people who live in typically the modest era should be upgrade about what going on or facts even knowledge to make them keep up with the era that is certainly always change and advance. Some of you maybe can update themselves by studying books. It is a good choice for yourself but the problems coming to anyone is you don't know what one you should start with. This White Leopard is our recommendation to cause you to keep up with the world. Why, because book serves what you want and wish in this era.

Charlie Attwood:

The reserve untitled White Leopard is the book that recommended to you to see. You can see the quality of the reserve content that will be shown to a person. The language that author use to explained their way of doing something is easily to understand. The copy writer was did a lot of study when write the book, therefore the information that they share for your requirements is absolutely accurate. You also could possibly get the e-book of White Leopard from the publisher to make you more enjoy free time.

Shelley Gavin:

Do you like reading a publication? Confuse to looking for your chosen book? Or your book was rare? Why so many concern for the book? But just about any people feel that they enjoy intended for reading. Some people likes looking at, not only science book but novel and White Leopard or perhaps others sources were given understanding for you. After you know how the fantastic a book, you feel need to read more and more. Science publication was created for teacher as well as students especially. Those books are helping them to include their knowledge. In different case, beside science e-book, any other book likes White Leopard to make your spare time much more colorful. Many types of book like this.

Alexandra Stafford:

E-book is one of source of know-how. We can add our information from it. Not only for students but in addition native or citizen want book to know the revise information of year to year. As we know those books have many advantages. Beside most of us add our knowledge, can also bring us to around the world. With the book White Leopard we can consider more advantage. Don't you to be creative people? To get creative person must want to read a book. Just choose the best book that appropriate with your aim. Don't end up being doubt to change your life with that book White Leopard. You can more pleasing than now.
