A Breach of Trust LNFA, Susan Hodges

You have a wonderful life. You're running a business, have money in the bank and get to visit with all your friends and family whenever you like. Then one day you wake up to find someone shoving a pill down your throat in some lowdown nursing home situated in a dangerous part of the city. Without your permission, they're liquidating your business and making all of your money disappear. You do whatever you can to try to get out of this nightmare, but discover the people who did this to you are simply too powerful. Think it can't happen to you? Think again. This is the true story of a newly licensed nursing facility administrator (LNFA) and the people she meets. The stories they tell her are both hard to believe and impossible to ignore. She begins investigating and the more layers she peels away, the worse it gets. Eventually, this leads to catastrophic consequences for three special people under her care. Can she repair the damage and stop the madness before it's too late? Or are the forces against her too powerful? A Breach of Trust exposes the weakest link in the freedoms we all hold dear. Cross the wrong line, say the wrong thing, and at any moment you too could be stripped naked and taken captive. It is for these three special friends and all the future victims that Susan Hodges offers this advice: whatever you do, don't cross these people because soon, you might discover your life belongs to them now!

From reader reviews:

Rodney Schmitt:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to learn everything in the world. Each publication has different aim or maybe goal; it means that reserve has different type. Some people sense enjoy to spend their time for you to read a book. They may be reading whatever they consider because their hobby is usually reading a book. How about the person who don't like reading through a book? Sometime, person feel need book after they found difficult problem or maybe exercise. Well, probably you will want this A Breach of Trust.

Jennifer Mendoza:

What do you about book? It is not important along with you? Or just adding material when you require something to explain what the ones you have problem? How about your spare time? Or are you busy individual? If you don't have spare time to complete others business, it is gives you the sense of being bored faster. And you have free time? What did you do? All people has many questions above. They have to answer that question because just their can do this. It said that about reserve. Book is familiar on every person. Yes, it is right. Because start from on kindergarten until university need this A Breach of Trust to read.

Emma Lavigne:

Playing with family in a park, coming to see the marine world or hanging out with buddies is thing that usually you may have done when you have spare time, then why you don't try matter that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you are ride on and with addition details. Even you love A Breach of Trust, it is possible to enjoy both. It is excellent combination right, you still desire to miss it? What kind of hang type is it? Oh seriously its mind hangout guys. What? Still don't have it, oh come on its known as reading friends.

Sandra McLean:

As a scholar exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their passion. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that looking at is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. So , this A Breach of Trust can make you feel more interested to read.
