**Little Chick** Amy Hest

**The creators of the New York Times bestselling KISS GOOD NIGHT offer a trio of gentle tales about a special intergenerational bond.**

Little Chick may be a good and patient gardener, as Old-Auntie observes, but what if you simply can't wait for your carrot to grow tall? What if you skip like a pro but still can't lift your kite in the air? Or if you're a really good stretcher but can't reach your favorite star? With affection and humor, Amy Hest offers three vignettes about a curious chick and a loving auntie who knows how to soften disappointments by keeping the spark of wonder alive. And the incomparable Anita Jeram renders Little Chick's gestures and movements with a mastery that captures the spirit of every young child.
