Birds of a Feather to Color Together is the first adult coloring book by artist Lisa Ven Vertloh. Drawing on years of experience in the design industry, Lisa has chosen more than forty five birds and coupled them with florals, some realistic and others inspired by vintage designs. Coloring these hand drawn pages promotes contemplation and creativity for artists and non artists alike. Enjoy a bit of relaxation to help lessen the stress of your day! Using colored pencils will allow you to add your own textures and layer color. Gel pens work well. It may be necessary to place a piece of paper behind your design while using some markers.
