FLASHBACKS proves the existence of extraterrestrials and their interaction with humans by containing the first known photographic evidence of: - UFO circular beam-down track in the snow - Alien and human footprints in the center - Track rotation and energy field - Extraterrestrial and human interaction. These detailed photographs were taken by the author in 1984, are evidence of one of his abductions, and forms the core of his book. FLASHBACKS is the memoir of the author's and his family's numerous experiences with extraterrestrials (ETs), native spirits, and entities from other dimensions. The book reveals how the entities that came in the night, altered his perceptions of religion, history, science, art, reality, and the origins of mankind. FLASHBACKS contains over 100 images of photographs and Sean's artwork.
