**Melting the Ice (The Savannah Slashers) (Volume 2)** April M Cronin, April Cronin

Donovan thought he'd found love once, but vicious rumors about infidelity, and seducing the wives of his teammates had caused undue stress on his relationship. After a mutual decision to end things, Donovan swears he's done with women. At least for now. It was time to concentrate on what was proving to be the best season of his career and help captain his team to their first Stanley Cup Win. Until an accident involving a drunk driver sidelines him, and throws him into the path of a beautiful albeit ornery emergency room nurse. She may have the face of an angel, but she's the bedside manner of the devil himself! And if Lacy's bark doesn't scare him off, perhaps the bite of her past will, or maybe her penchant for being a self-professed man eater might do the trick! As Donovan's body heals and he leads his team to victory, will he sacrifice his heart to gain the trust of the one woman who could destroy him? Or will her past prove to be their undoing?
