For all its beneficial advances, our secular age has also weakened some people's ties to religious belief and affiliation. Latter-day Saints have not been immune to this trend. In recent years, many faithful Church members have encountered challenging aspects of Church history, belief, or practice. Feeling isolated, alienated, or misled, some struggle to stay. Some simply leave. Many search for a reliable and faithful place to work through their questions. The abundance of information online can make them feel frustrated. *Planted: Belief and Belonging in an Age of Doubt* offers people who struggle with questions and people who love those who struggle practical ways to stay planted in the gospel of Jesus Christ. Rather than attempting to answer every possible question or doubt, *Planted* presents an empathetic, practical, and candid dialog about the relationship of doubt and faith.
