The Chronicles Elevator Silence is a skillfully written drama about three woman who explore the idea of celibacy while taking the reader on a salacious journey of promiscuity, drama, adultery, and lust. Each of the women live completely different lives filled with the turmoil, pain, love and triumph experienced in everyday life. The author hopes you will identify with each of the women because they were designed to resemble you or someone you may know. The reader is encouraged to look deeply into their lives and listen intently to the stories they tell. One reader said " I absolutely love it! I can't recommend this book enough. It held me hostage all evening. Now I'm sitting here with snow on the ground and didn't make it out to the store because I couldn't put it down! Elevator Silence will appeal to everyone who has lost something precious and wishes for a way to reclaim that treasure once again! The characters will make you laugh and cry; leaving you wanting more!"
