A profoundly original book from America's premier crime novelist! Follow international bestselling author Patricia Cornwell's latest addition to the Kay Scarpetta series with *The Last Precinct*. This engrossing piece of fiction is woven through with the extraordinary forensic detail you've come to expect from Cornwell, with a palpable sense of fear that keeps readers looking back—into the past for clues, and over their shoulders for the next enigmatic act of violence.

*The Last Precinct* finds Virginia's Chief Medical Examiner Kay Scarpetta in the middle of a nightmare that began with *Black Notice*, and continues as she discovers the so-called Werewolf murders may have extended to New York City and into the darkest corners of her past. Scarpetta must struggle to make what she knows to be the truth prevail against mounting evidence to the contrary. By the end of the novel, it is clear that Scarpetta's life can never be the same.

*The Last Precinct* marks a new era for Kay Scarpetta and a triumphant achievement for Patricia Cornwell. You won't be able to put this nail-biter down!
