To My Professor: Student Voices for Great College Teaching

Michigan State School of Journalism

To My Professor: Student Voices for Great College Teaching Michigan State School of Journalism

"To My Professor: Student Voices for Great College Teaching" begins with remarks by students about their professors. They tend not to be the kind of remarks that professors usually hear, and some are harsh. Others are full of gratitude for teachers who inspire and motivate. The "To My Professor" statements are really just starting points that lead to advice from master teachers. Teaching college is difficult and this book has some potential solutions. More than 50 chapters cover situations including expectations, communication, technology, race, gender and religion, mental and physical health.

CONTENTS

1. Structures & syllabi

The syllabus: road map for a smooth experience
Don't serve lessons after their freshness dates
Being available for students: Making office hours count
Mutual civility means knowing and respecting your audience
Going beyond grades to feedback and growth
Student safety matters on and off campus

2. Engaging everyone

Getting the whole class involved
Loafers and lax rules give group work a bad reputation
There is an arms race and many shades of gray in academic fraud
Getting names right: It's personal
Profane professors: Tactical or tacky?
A professor walks into a classroom: Humor 101
College can be a lonely place for conservatives
Remarks about appearances are more than skin deep

4. Technology

Email etiquette starts with good ground rules
PowerPoint: weapon of class destruction
Managing the demons of digital distraction
Online classes: love/hate relationship

5. Life styles, life stages

There is a first generation for everything
Check-ins help transfer students shake freshman feelings
Invisible population: How to help student-parents keep up
Veterans transitioning to a new theater of operation on campus
For older students, college is a stage, not an age
Commuter students in the classroom
Getting athletes to bring their A-game to academics

6. Health and wellness

The Americans with Disabilities Act
Helping students' mental health and well-being
Profs can help with attention and executive functioning
Autism spectrum issues are different but can be helped
Food allergies, an overlooked health hazard
How instructors support visually impaired students
For hard-of-hearing students, simple changes make learning easier
You can't always see something is wrong just by looking
Unreported disabilities: How to help while respecting privacy

7. Racial inclusion

What to do when something breaks out in the classroom
#BlackOnCampus is about what goes on inside classrooms, too
Teaching the growing population of Latino students
Beyond face value: The diversity and depth of Asian Americans
Native Americans: Dealing with cultural misunderstandings
Ahead of the curve: Teaching toward more varied diversity
Assumptions about identity are no substitute for knowing

8. Religious inclusion

Religious holiday requests require flexibility, discernment
Holidays that university calendars might not include
'I hope you're not hiding any guns under your headscarf today'
Students singled out as Jewish, even when they're not
Campus Christians can find their beliefs challenged

9. International

Making international students feel at home away from home
For international instructors, bridging languages is a process
For those new to the language, English can be a sentence

10. Gender and identity

Women lead men in numbers but still trail in power
Breaking down the walls of career gender stereotypes
Breaking the binary: Seeing sexuality as a spectrum
Transitioning on campus: finding and redefining identity

11. Finances

Hardly working or working too hard? College debt weighs more than ever
Texts and supplemental materials can be expensive seem superfluous
