Alice McGill

Way Up and Over Everything Alice McGill

My great-grandmama's mama told her and she told me this story about a long time ago . . .

So begins this account of the author's great-great-grandmother Jane, and how she meets a slave new to the plantation, a slave who would prove to have magical powers . . . created by the wish for freedom. Alice McGill remembers this story, passed down in her family through the generations, from her childhood and how her greatgrandmother told it to her "as if unveiling a great, wonderful secret. My siblings and I believed that certain Africans shared this gift of taking to the air—'way up and over everything.'"
