Claws Archibald Rutledge

Unseen by readers for a century, Archibald Rutledge's story "Claws" is a fast-paced adventure tale of a young boy, Paul, lost in the foreboding terrain of Spencer's Swamp, the domain of the mighty bobcat Claws, which is deftly evading hounds and hunters alike. When Paul and Claws encounter one another at a perilous creek crossing, Rutledge's mastery of outdoors storytelling shines through in every evocative word.

The short story "Claws" was written for publication in an early twentieth-century boy's magazine and was first collected in the privately printed Eddy Press edition of *Old Plantation Days* (c. 1913). Limited to just a few hundred copies, the Eddy Press edition is highly prized by Rutledge collectors and includes five stories--"Claws," "The Doom of Ravenswood," "The Egret's Plumes," "The Heart of Regal," and "The Ocean's Menace"--not found in the more widely available 1921 Stokes edition of *Old Plantation Days*.

A project of the Humanities Council SC benefiting the South Carolina Book Festival, this new edition of *Claws* is illustrated in handsome charcoal etchings by Southern artist Stephen Chesley. Award-winning outdoors writer and noted Rutledge scholar Jim Casada provides the volume's introduction and retired South Carolina conservation officer Ben McC. Moïse offers an afterword.

From reader reviews:

Bobby Hall:

The book Claws give you a sense of feeling enjoy for your spare time. You can use to make your capable far more increase. Book can being your best friend when you getting pressure or having big problem along with your subject. If you can make studying a book Claws to be your habit, you can get much more advantages, like add your own personal capable, increase your knowledge about a few or all subjects. It is possible to know everything if you like open up and read a book Claws. Kinds of book are several. It means that, science book or encyclopedia or other folks. So , how do you think about this reserve?

Norman Brown:

This Claws are reliable for you who want to be described as a successful person, why. The reason of this Claws can be one of several great books you must have is actually giving you more than just simple looking at food but feed an individual with information that probably will shock your preceding knowledge. This book is actually handy, you can bring it everywhere you go and whenever your conditions both in e-book and printed people. Beside that this Claws forcing you to have an enormous of experience like rich vocabulary, giving you trial run of critical thinking that we realize it useful in your day task. So , let's have it and revel in reading.

David Rutherford:

Reading a book to become new life style in this calendar year; every people loves to go through a book. When you learn a book you can get a lots of benefit. When you read ebooks, you can improve your knowledge, since book has a lot of information upon it. The information that you will get depend on what sorts of book that you have read. If you would like get information about your analysis, you can read education books, but if you act like you want to entertain yourself look for a fiction books, this kind of us novel, comics, in addition to soon. The Claws provide you with new experience in looking at a book.

Kayla Congdon:

Do you like reading a guide? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many concern for the book? But virtually any people feel that they enjoy with regard to reading. Some people likes looking at, not only science book but novel and Claws or perhaps others sources were given know-how for you. After you know how the fantastic a book, you feel wish to read more and more. Science e-book was created for teacher as well as students especially. Those guides are helping them to include their knowledge. In different case, beside science e-book, any other book likes Claws to make your spare time considerably more colorful. Many types of book like this one.
