Happy Naturists: Natural Nude Living in Ukraine: No. 2 (German Edition) A Litovchenko

In his second photobook, Ukrainian photographer Andrii Litovchenko photographs fellow members of the Kiev Commonwealth of Naturists (of which he is founder), documenting the diverse nudist activities of his friends and his club's members. These people love the simple life, and love it most when they're nude and free in the out of doors. Of course, there's plenty of partying too -- in the Ukraine, socializing is spelled with a capital "S"! The book accompanies cheerful hippy-ish naturists into the sauna; admires artwork painted on naked bodies; and enjoys the fantastic landscapes of the Crimean Peninsula, where people are free to camp wherever they like. This fresh, exciting book invites each reader to take their own naturist trip to the Ukraine. Hardbound, color. Text in English, German & French.
