One Touch of Moondust Sherryl Woods

Revisit this heartfelt story of finding love where you least expect it from *New York Times* bestselling author Sherryl Woods. Down on her luck, ex-Wall Street dynamo Gabrielle Clayton agreed to move into Paul Reed's ramshackle but affordable apartment on one condition: no funny stuff. Then Gabrielle discovered she and Paul shared a good deal more than the rent—including one outrageous claw-footed bathtub located smack in the middle of the kitchen—and things started heating up! For Gabrielle, the most irresistible distraction of all was the sexy, blue-eyed renovator himself. Paul was the most romantic man she'd ever met! Suddenly, practical, down-to-earth Gabrielle was dreaming of magical nights spent in Paul's arms. What had come over her? Was it the man, the moon—or love?
