# Risorgimento In Modern Italian Culture: Revisiting The Nineteenth-Century Past In History, Narrative, And Cinema

## **Risorgimento In Modern Italian Culture: Revisiting The Nineteenth-Century Past In History, Narrative, And Cinema**

The renewed attention to the origin and shape of nationalist discourses has promoted many excellent studies devoted to examining the rich storehouse of cultural responses produced during and after Risorgimento, the political events that, from 1859 to 1870, led Italy from being a fragmented peninsula to an independent and unified nation-state. However, the assessment of Risorgimento and its myths from the post-World War II era to the present remains, for the most part, unexplored. While it is undeniable that the dramatic economic, social, and political transformations that have characterized Italy from the second half of the twentieth century to the present have altered the role and function of nationalist narratives, it remains equally true that interest in the Risorgimento in modern Italian culture has not diminished.
