Reliable Construction Cost Information for the Home Repair and Remodeling Contractor. Total costs (broken down into unit prices) for every aspect of the most common repair and remodeling projects. Organized the way you build-from frame to finish. Covers every step needed to complete each task. Includes demolition, installation, painting, cleaning, and more. This book saves you time by giving you: ? A simplified estimating method that includes markups; ? Clear, easy-to-understand descriptions; ? Quick cost information. Increase your profits by speeding up your estimating-while making sure your estimates are on target. Designed specifically for home improvement and repair contractors, insurance restoration contractors, and anyone who does small construction jobs for homeowners. Interpolate labor time estimates from labor cost estimates to see if you are making the grade on efficiency. Compare the labor rates to average rates to see if you are overpaying for services. Use the material estimates to see if your supplier is overcharging for standardized goods.
