Today's church has sadly failed to minister to men and women deeply affected by porn, abortion, rape, casual sex, a sexless marriage, same-sex attraction, or childhood sexual abuse. Church leaders know these broken people sit in their pews. What they don't know is what to say to them. Those who would speak out directly from the pulpit worry that they will be unwise or insensitive, whatever their intent to the contrary. They may even fear being fired and losing their ministry altogether.

The truth is that seminary curriculums rarely prepare preachers to talk about sex in their sermons. Despite the pervasiveness of sexual wounds in the church, preachers tend to either ignore them and say nothing or abhor them without nuance and condemn. Sam Serio posits a powerful and necessary middle ground: preaching that offers forgiveness, transformation, and restoration.

*Sensitive Preaching to the Sexually Hurting* is a ready-to-use resource written from a preaching perspective. Serio examines the causes and consequences of the seven most difficult sexual issues of today. Moreover, he provides appropriate wording to use in crafting sermons, along with corresponding Scripture texts. He examines how preachers can prepare their churches, their hearts, and their sermons for the topic, and how these can all work together to build a healthier future for their congregations and the wider church body.
