The Pirate Hunter: The True Story of Captain Kidd Richard Zacks

Everybody knows the legend of Captain Kidd, America's most ruthless buccanneer. Few people realize that the facts of his life make for a much better tale. Kidd was actually a tough New York sea captain hired to chase pirates, a married war hero whose secret mission took a spectacularly bad turn. This harrowing tale traces Kidd's voyages in the 1690s from his home near Wall Street to Whitehall Palace in London, from the ports of the Caribbean to a secret pirate paradise off Madagascar. Author Richard Zacks, during his research, also unearthed the story of a long forgotten rogue named Robert Culliford, who dogged Kidd and led Kidd's crew to mutiny not once but twice. The lives of Kidd and Culliford play out like an unscripted duel: one man would hang in the harbor, the other would walk away with the treasure. Filled with superb writing and impeccable research, *The Pirate Hunter* is both a masterpiece of historical detective work and a ripping good yarn, and it delivers something rare: an authentic pirate story for grown-ups.

Helen Hanson:

As a college student exactly feel bored for you to reading. If their teacher inquired them to go to the library as well as to make summary for some e-book, they are complained. Just tiny students that has reading's spirit or real their pastime. They just do what the trainer want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that reading through is not important, boring as well as can't see colorful photos on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this The Pirate Hunter: The True Story of Captain Kidd can make you feel more interested to read.
