The Success System That Never Fails William Clement Stone, W. Clement Stone

Why does one man succeed and another fail? There is an answer. And it will be found in this book. For there are formulas, prescriptions, recipes-rules, principles, systems-even treasure maps, if you please-which, when followed in proper sequence, bring the good things in life to those who seek them. Often the rules for success are so simple and so obvious they aren't even seen. But when you search for them, you, too, can find them. And during the search something wonderful happens: you acquire knowledge...you gain experience...you become inspired. And then you begin to realize the necessary ingredients for success.
