“Like an arrow in the hand of a warrior, so are the sons of those who have been shaken. Hurl lightning bolts and scatter them. Shoot your arrows and rout them.”

- King David, circa 1000 BC

Wyatt Stryker, an ex-special ops, has suddenly found his more recent roles as a father, husband and doctor thrown into a world of chaos. A deadly drug cartel has targeted him and his family and forced Stryker to revisit a chapter of his life he thought forever closed.

Fortunately for his family, this transition was easier than he imagined – leading a simple life was never really in the cards for Stryker. In his heart, he always has been a warrior, but he now must battle for more than just king and country.

Confused by his connection to the cartel, Stryker sets off with little on his side but instincts and experience. As he attempts to connect the dots, Stryker infiltrates the deepest, darkest places of the organization’s stronghold and comes face to face with certain death.

In his every attempt to uncover the truth, Stryker’s plans are crushed by the cold-blooded cohort. His resolve to save his loved ones, however, becomes more firm with every failure.

Will his wits and training alone be enough to discover his connection to the cartel in time to save his family?
