Through dubious methods, the religious right have successfully demonized gays and lesbians in the eyes of people of faith. First-time author Alvin McEwen cuts through their rhetoric in *Holy Bullies and Headless Monsters: Exposing the Lies of the Anti-Gay Industry*. McEwen reveals the truth behind their false claims about the gay and lesbian community, including: Gay men have short life spans, Lesbians have a high rate of domestic violence, Gay men molest children at a high rate. McEwen also examines their tactics, revealing a pattern of generalizations, bad science, and out-and-out deceptions.
