Poppy's Pin-ups Aishling Morgan

The war is over, allowing Flying Officer Henry Truscott to concentrate on the far more important business of distributing much needed luxuries among the countries of the Mediterranean. Unfortunately people are getting back on their feet and prices are starting to drop, but with so many thousands of unattached young men about there is one commodity that can always be guaranteed a market, girls, or if not actual flesh and blood, girls, then saucy pictures. Henry is more than happy to oblige on both counts, but when he signs up Corporal Poppy "Pinks" Pankhurst as his number two he finds he has bitten off rather more than he can chew, because her somewhat unorthodox ideas on discipline are only the start.

Aishling Morgan provides another classic erotic romp with a story full of pretty girls and masterful men in and out of uniform, stockings, suspenders, plenty of spanking and even more rude, unabashed smut.
