Michael Beebe:

As a college student exactly feel bored to be able to reading. If their teacher requested them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the educator want, like asked to go to the library. They go to there but nothing reading seriously. Any students feel that reading through is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. Therefore this Round 15, and the winner is?: The ongoing
