**The Chataine's Guardian** Robin Hardy

"I am assigning a Guardian to ward you. His name is Roman. . ."

Thus begins Surchatain Karel's explanation to his daughter, ten-year-old Chataine Deirdre, as to why her life is about to change dramatically. Karel's small country, Lystra, possesses the only navigable river on the southern coast of the Continent. The provinces that surround Lystra want its river trade, and will do anything to gain it--even kill the heir to the throne. So Karel places her life in the keeping of the most capable and trustworthy soldier he can find.

Willful and spoiled, Deirdre sees this guardian only as another servant to be mastered. She teases and abuses him as he places his life on the line for her day after day, year after year. Deirdre does not know at what point she begins to love him. But Roman knows from the very beginning that to love her will mean his death.

The Annals of Lystra begin with Chataine's Guardian, continue in Stone of Help, and conclude in Liberation of Lystra. The Latter Annals of Lystra resume the saga 100 years later with Nicole of Prie Mer.

Robin Hardy is the author of The Latter Annals of Lystra, the Streiker Saga, the Sammy Series, Padre, His Strange Ways, Unknown Name, Unknown Number, and The Idecis. She is also the editor of W.W. Melton's classic devotional, Sifted But Saved. She resides with her family in North Texas.
