The Chronicles of Conan Volume 34: Betrayal in Zamora and Other Stories Roy Thomas

One step ahead of a vengeful Kothian army, Conan leads a fleeing mercenary band into the dread Dark Valley, a necropolis once throned by a demon slain by Conan himself. But while the demon may be dead, waiting silently in the darkness is an empty suit of armor, waiting only for an unwary host to bring back into the world the armor's owner . . . the malefic Devourer of Souls!

The Chronicles of Conan reaches its final titanic volume, collecting classic *Conan the Barbarian* tales never-before collected and unavailable for nearly a quarter of a century.

Praise for a previous volume of *Chronicles of Conan*:

"I can't recommend this collection highly enough. It's got everything. All masterfully restored thanks to the great team over at Dark Horse." --*Geeks of Doom*
