## **The Silence of the Mind** Ilie Cioara

A practical book on meditation and enlightenment, a must read for any spiritual seeker. A more poetic Eckhart Tolle; Kahlil Gibran meets Krishnamurti. Ilie Cioara's message is original and unique, as he never travelled to India and never belonged to any traditional school. By practicing the silence of the mind, through an all-encompassing attention, we discover and fulfill our innermost potential of becoming one with the divine spark that lies dormant within us.
