Fr John Fahy 1893-1969: Radical Republican and Agrarian Activist Jim Madden

After being ordained in Loughrea, in 1919, Fr John Fahy very quickly earned himself the reputation of being a 'rebel priest.' His close affiliation with Sinn Fin throughout the War of Independence stayed with him all his life and led to many a confrontation with the authorities of both church and state. The string of letters between himself and state authorities, and also with his bishop, add a depth of color and credibility to this lively and convincing review of his life, his mission, and his times.
