In the space of a breath, what he thought was his life...shattered. Grant Borrows has been Shifted- in the silence between heartbeats, his whole life fundamentally altered. There's another man in the world wearing his face and living his life. What's more, the man staring back from his mirror is a stranger. But the changes don't stop at skin-level. Inexplicably, he's able to affect objects around him by simply thinking about them. And as he soon learns, he's become the central figure in a vast web of intrigue that stretches from an underground global conspiracy to a prophecy dating back over seven thousand years. Enemies and allies find him at every turn, but one thing they learn all too soon is that you don't want to push Grant Borrows too far... Can destiny be undone? The players are ready. The game is in motion. And the pace is: Relentless. (The Dominion Trilogy Book 1)
