In *The Swiss Twins*, not only are children exposed to language and culture from a different era; they are exposed to Swiss culture! Oftentimes we hand our youth historical books to read which are based on our nation's history not the cultures of other nations from times past. *The Swiss Twins* centers around a Swiss family of six; a Mother, Father, older brother, the twins, and a baby sister. Watch your child's interest grow and peak as they read the tales of these Swiss twins growing up in a Swiss goat-herding family. Your child will read about dedication, perseverance, and obedience being demonstrated from the twins.
