Zoom, Rocket, Zoom! Margaret Mayo

When night has come and the moon shines bright,

Reflecting back our sun's great light?

Explore the stars and search the sky,

And watch for satellites gliding by!

Ride a rocket to the stars as astronauts go zooming, booming, flying, and guiding their way through the solar system. Watch as they make moon landings, explore a new terrain, repair a satellite, and more in this exciting early introduction to all things outer space! A rhythmic, rollicking text pairs with bold, bright illustrations to capture the imaginations of young space explorers everywhere.
