Entornos supports key competencies-such as collaboration, digital literacy, critical thinking, and problem-solving-that help learners thrive in the Spanish classroom, while connecting the language to the skills all college learners need to succeed academically and professionally. The activities and strategies of Entornos encourage creativity, communication and collaboration. Entornos also features a wealth of multimedia content. In today's university classroom, it is more important than ever that students develop digital fluency, and stay connected from home or in a blended classroom. Entornos's wealth of digital resources ensures that students engage with Spanish in the same multitude of ways with which they engage with content outside of the classroom.
