Mysteries of Judaism II: How the Rabbis and Others Changed Judaism

Israel Drazin

Mysteries of Judaism II: How the Rabbis and Others Changed Judaism Israel Drazin

From kindergarten on, Jewish children are taught that the Torah as observed today is identical to the Torah given at Sinai. Unfortunately, many adults today, even those at the highest institutions of Torah learning, never develop a more nuanced and complex view of the evolution of the Torah. In another fascinating book, Israel Drazin shows how the Torah has been adapting to and adopting from its surrounding cultures, from the time of the Canaanites, through the Talmudic period, and until today.

Although challenging to some preconceived notions, and perhaps even threatening to some dogmatic elements, this richer view of Judaism reveals how a breathing, flexible religion has been essential in upholding the unity of the Jewish people throughout the centuries.
