**Strategies for Community Policing** Elizabeth M. Watson, Alfred Stone, Stuart M. DeLuca

Presents a comprehensive, real-world guide to implementing community policing, particularly in medium-sized and larger municipal police departments. It provides an in-depth understanding of the concept of community and its relationship to policing practices. The book traces the evolution of American law enforcement up to the development of community policing. Presenting the steps required to transform a traditional police agency into a community policing organization, it also provides differing means of implementing community policing; short-term tactics and long-term strategy. And, it discusses the implications of community policing for all areas of law enforcement. An essential reference for police and municipal officials who are considering or have begun implementing a community policing program. Also valuable for anyone who wishes a greater understanding of community policing.
