## **The Cthulhu Mythos** H.P. Lovecraft

“The oldest and strongest emotion of mankind is fear, and the oldest and strongest kind of fear is fear of the unknown.”

—H. P. LOVECRAFT, “Supernatural Horror in Literature”

Howard Phillips Lovecraft forever changed the face of horror, fantasy, and science fiction with a remarkable series of stories as influential as the works of Poe, Tolkien, and Edgar Rice Burroughs. His chilling mythology established a gateway between the known universe and an ancient dimension of otherworldly terror, whose unspeakable denizens and monstrous landscapes—dread Cthulhu, Yog-Sothoth, the Plateau of Leng, the Mountains of Madness—have earned him a permanent place in the history of the macabre.
