The Pitfalls of Playing The Devil's Games Dr. Joe Cephus Bingham Sr.

Deception necessitates raw and hurtful concepts, approximating manipulative costumes in appearances to engender the impression of being somebody or something else. It dresses itself up to convince another to believe information that is not true, or not the whole truth as partially truthful or as the whole truth. The Bible tells us “Satan has many wiles.” Please note the word “Wiles” means tricks. In other words, Satan’s activities are nothing more than psychological mind games. Clearly then, he is using these emotional games to manipulate his victims by his own set of rules. Every game has a set of rules which the players must adhere to. Hence, Satan’s games are no different, except that he does not play fair by his rules. I can say without reservation that I was inadvertently a victim of his wicked amusement, as I was hoodwinked by my lustful desires to covet carnality. Thus, my desire to want more worldly possessions caused me to blindly play his games for many years without gain. Therefore, it is my objective to expose his tricks. Also, there were many Biblical characters who had played Satan’s game and lost. Besides that, there are multitudes of Christians and non-Christians who are being deceived in thinking his game is the only pastime for their life. This book will explain that, as we submit to God’s set of Laws, we will have better options to pursue our purpose in life. It is also my intention to prove Satan’s games are major distractions to keep Christians and non-Christians from realizing their dreams, and to keep them from reaching their goals.
