The Prince's Little Mate Meredith O'Reilly

When twenty-four-year-old Allison Black is chosen to be the mate of the prince of Aureus—an alien planet which recently signed an agreement with Earth—she is quite a bit less than enthusiastic. She makes her frustration perfectly clear to the handsome prince, telling him in no uncertain terms that she has no intention of submitting to his plans for her.

Prince Eric is determined to show his feisty, stubborn mate all the pleasures that surrendering to his dominance can bring. When he learns of her hidden yearning for a firm but loving daddy, he doesn't hesitate to make her his little girl. He will cherish her, provide for her, and keep her safe, and when she misbehaves or puts herself in danger, he will spank her naughty bare bottom.

But even as Allison is beginning to discover the peace that comes from being held in her daddy's strong arms, the future of Eric's world is threatened by an old enemy bent on chaos and destruction. When the choice is put before her will Allison abandon Eric in his time of greatest need, or will she stay by his side as he strives to protect both his people and his little girl?

Publisher's Note: The Prince's Little Mate contains spankings, sexual scenes, age play, anal play, elements of medical play, elements of BDSM, and more. If such material offends you, please don't buy this book.
