## To the Galactic Rim (John Grimes Saga) A. Bertram Chandler

The #1 omnibus edition of the classic science fiction of A. Bertram Chandler's John Grimes books, with four full novels collected for the first time in this renowned SF saga. Pipe-smoking, action-loving spaceship commander Lieutenant John Grimes (think Captain Kirk with more of a navy, salty attitude) is fresh from the Academy and on his way to becoming a legend in the Federation Survey.

Number one in a three-volume collection of the legendary John Grimes of the Galactic Rim series. Classic *Star Trek* meets the high seas. If space travel is going to be anything like sailing the oceans, then A. Bertram Chandler has surely caught its absolute essence in his Grimes novels. Here we first meet Lieutenant John Grimes of the Federation Survey Service. He's green from the Academy, but a heroic starship captain in the making, ready for adventure, if not quite as prepared as he believes himself to be.

Includes a cornucopia of Grimes novels bringing together previous Lieutenant Grimes tales in *The Road to the Rim*, *To Prime the Pump*, *The Hard Way Up* and *The Broken Cycle*.
