Design Idea Dictionary Various

Presented as ten logically organised volumes that aim to both inspire and generate ideas, more than 600 projects from 187 world-class design teams fill the pages of this massive box set, brimming with scores of photos, technical drawings and concepts. Including architecture and design projects representing a wide spectrum of programmes in the residential, commercial, and public spheres, it also highlights projects at various scales, ranging from furniture, installations, and interiors to urban planning and landscape. The set is a great brainstorming resource not only for students, but also for professional designers embarking upon new projects.
