Erotic Dreams

Not only are the new works of David Vance "Erotic Dreams", as the title already promises; they are also more dreamy and playful than his earlier pictures. While his last photo book was clearly inspired by the ideal of the Greek gods, he's now taking us on a journey through his own erotic fantasies. Gorgeous and exciting are his pictures; made with an eye for the details and the will to create something perfect. Vance is always looking for immaculate men, almost to perfect to be true. He finds them, he portrays them and makes them immortal. Clear thing: This man deserves our deepest thanks.
