**Floral Magic: The special artist coloring book (An artwork piece by piece) (Volume 1)** Maria Bogade  
Floral Magic is a very special coloring book, because it is a collaboration between the artist and the colorist. Maria Bogade provides the hand-drawn ink line drawing and you add the color. That is not all, however: 28 individual pieces put together reveal one big art work, which can be further embellished with additional pictorial elements. An individual large-sized piece of art is created - piece by piece. The final artwork measures approx. 30.5 inches x 30 inches. Before piecing the whole artwork together, lay it out on a table and only put a tiny bit of clue in the middle of each side that needs to fit to the next. Best work from the top right corner of the full artwork to the bottom left corner, piece by piece. Pages are designed to overlap slightly.
