**Management Consulting in Practice** Fiona Czerniawski, Paul May

The world's leading consultants tackle real projects and make tangible differences for their clients. Through real-world case studies -- including examples from the International Olympic Committee, Sun Microsystems and London's Metropolitan Police Service -- this text provides an understanding of the relationship between top management consultant teams and their clients. Organized in seven categories: Change management, human resources, operational performance, business strategy, technology exploitation, outsourcing and electronic trading. Published in association with the Management Consultancies Association.
