Grade 3-12. This timely resource provides educators and mental health professionals with research-based strategies for conducting a 10-session, parent-involvement program. The book presents essential skills and information for increasing parents ability to influence their children s academic motivation in positive ways. Covers areas such as providing emotional support, setting appropriate expectations, monitoring progress, communicating with school personnel, promoting self-determination, establishing study skills, helping with homework, and more. The sessions are flexible, interactive, and learner-centered. Instructional methods include reminiscing, role-playing, group discussions, and homework assignments. The book contains reproducible session handouts, checklists, quizzes, and evaluation measures.
