Numerology for the New Age Lynn Buess

Our own vibrations and cyclical patterns are numerologically determined by our dates of birth and given names. By understanding these cycles, we can learn to more efficiently express our potential, human and divine. This volume concentrates more on the experiential value of numerology than the historical.

Lynn Buess has come into national prominence since the success of his first book *The Tarot and Transformation*. His popularity as a speaker and instructor has taken him across the country many times to universities, churches, professional organizations, and New Age Centers of Light. He has appeared on numerous television shows and on radio talk shows from coast to coast.

Although his work with Tarot and Numerology causes most people to associate him with symbolical studies, Lynn spends most of his time today working with various alternative metaphysical healing methods. Since his gift of healing awakened years ago, he has demonstrated and taught numerous techniques of psycho-spiritual healing. He is also the author of *Synergy Session*®, which teaches an entirely new system of multiple-level wholistic counseling/healing.

Along with his national tours, he has taught courses on parapsychology, healing, Tarot, meditation, and self-awareness at several colleges and one university within the University System of Georgia. As a tireless worker, Lynn is dedicated to bringing sincere seekers into a deeper awareness of the LIGHT within.
