**The Comfort of Home for Chronic Liver Disease: A Guide for Caregivers** Lucy Mathew NP, Jill Chang, Maria M. Meyer, RN Paula Derr

Despite the growing number of hepatitis B and C and liver cancer patients in the United States, knowledge of liver disease is limited even among health care professionals. A caregiver that knows more about this complex affliction can greatly increase a patient's ability to cope. This disease-specific guide aims to educate and instruct both professional home-health aides and family caregivers, in order to ensure the patient's quality of life and comfort and help caregivers through challenging courses of treatment.
