Designed to Be Home: Professionally Designed Spaces + the Real Families That Call Them Home

Harmony Weihs, Kate Savitch

HGTV and Houzz recognized interior designer Harmony Weihs and her partner Kate Savitch of the Seattle area firm designHARMONY bring you into the homes of some of their favorite clients to showcase not only beautiful designs but also how the real families live in the spaces. This behind the scenes glimpse, featuring reclaimed and custom pieces as well as local craftsmen, is like no other design book on the market.

This is not another book with lessons on interior design. It is about real clients, the real families who call these designs home. Each turn of the page provides a peek into another stunning and perfectly staged design, contrasting with images of the families creating memories and enjoying their rooms every day.

Harmony Weihs and Kate Savitch are both self-taught in interior design and remodeling. They strive to support local, reclaim materials to use in their spaces, and design and build custom pieces throughout the Pacific Northwest.
