**Three friends, three wishes—one Christmas!**

When three friends visit a shopping-mall Santa on a lark, the jolly old elf is full of mysterious predictions about the thing they're all wishing for: the perfect man. Or at least men who are perfect for *them*.

Riley Erickson's fiancé turned out to be a dud, dumping her for her bridesmaid three weeks before the wedding. But Santa says that she's soon going to meet her ideal man in a memorable way.

And he predicts that a new man is about to come into Jo's life. What on earth does that mean? She's pregnant and already has her hands full with the perfectly stubborn husband she's got.

Noel has given up completely on ever finding her perfect match. But apparently Noel is going to get a good man to go with that house she's trying desperately to buy.

These friends are about to discover that Christmas wishes *can* come true, because in spite of romantic setbacks and derailed dreams, this truly is the most wonderful time of the year!
